The following is a concise statement of relevance of the non-English language documents:

1. Japanese Patent Publication No. 2000-35991 - relates to historical information recording apparatus and a product provided thereof. It discloses that the historical information of the distribution channel of products is recorded.

2. Japanese Patent Publication No. 2000-48066 - relates to a life cycle management method, a life cycle management system and a product. It discloses a method for managing the life cycle from manufacturing of the product to scrapping thereof, and determining whether to recycle or scrap the product.

3. Microsoft Corporation, "Microsoft Windows 98 Resource Kit", ISBNI-57231-644-6, pages 1183, 1213 and 1265 (1998) - Chapter 5 entitled "System Management" explains management tools, management of a device, and support of the application, and explains a management method using an OS.

The relevance of documents 1 and 2 is also discussed at page 3 of the specification of the present application.

Also, an English-language abstract of each documents 1 and 2 is enclosed.

This submission does not represent that a search has been made or that no better art exists and does not constitute an admission that each or all of the listed documents are material or constitute "prior art." If the Examiner applies any of the documents as prior art against any claim in the application and applicant determines that the cited documents do not constitute "prior art" under United States law, applicant reserves the right to present to the office the relevant facts and law regarding the

appropriate status of such documents. Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should one or more of the documents be applied against the claims of the present application.

If there is any fee due in connection with the filing of this Statement, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,
